WHEREAS, City and DBDT entered into that certain Master Agreement for the Development and Operation of the Dallas Black Dance Theatre Facility dated as of December 14, 2005 (hereinafter referred to as the "Lease"), for a certain building commonly known and numbered as 2700 Flora Street (the "Building"), located on land in the City of Dallas, Texas, more particularly described on Exhibit A attached hereto (the "Premises");

WHEREAS, City has spent an additional $2,228,354 on behalf of DBDT in connection with the rehabilitation of the Building, which amount had been previously advanced by DBDT to City;

WHEREAS, DBDT and the City wish to extend the Term of the Lease; and

WHEREAS, DBDT and the City wish to allow DBDT to sublease the Premises, or any portion thereof, in order to enter into federal historic tax credit transactions.

NOW THEREFORE, for and in consideration of the foregoing, and the mutual covenants set forth below, it is agreed that said Lease is hereby modified and amended as follows:

1. Term. The Term of the Lease shall be extended to the 31st day of December 2048.

In order to receive the maximum benefit from the federal historic tax credits, the City acknowledges and consents to DBDT subleasing all or any portion of the Premises or the Building to master tenant entities controlled by DBDT, or a wholly-owned subsidiary (the "Master Tenants"), which will sublease the Premises or the Building back to DBDT.

It is the intent of both parties that the value of such improvements are recognized and contributed through the execution of this Amendment, for purposes of conveying federal income tax ownership only.

In the event of any conflict between this Amendment and the Lease, the terms of this Amendment shall govern. Except as supplemented and amended hereby, the Lease remains in full force and effect, unmodified, and all terms herein shall have the same definition given them in the Lease, unless the context requires otherwise.

SUBJECT

Authorize the City Manager to execute the First Amendment to the Master Agreement for the Development, Use and Operation of the Dallas Black Dance Theatre facility to (1) extend the term of the Master Agreement by thirty-six months to end December 31, 2048; and (2) consent to the sublease of the Dallas Black Dance Theatre facility located at 2700 Flora Street to a master tenant entity controlled by the Dallas Black Dance Theatre to allow the Dallas Black Dance Theatre to receive federal historic tax credits in connection with the improvement and rehabilitation of the Dallas Black Dance Theatre facility - Financing: No cost consideration to the City

BACKGROUND

Dallas Black Dance Theatre (DBDT) was founded in 1976 as a world-class modern dance company, whose mission is to achieve artistic excellence through the performance and educational programs bridging cultures, reaching diverse communities and encompassing national and international audiences. In 1999, DBDT acquired the former Moorland YMCA building, located at 2700 Flora Street, a 20,058 square foot tract of land improved with a building.

On December 14, 2005, Resolution No. 05-3604 authorized a Master Agreement for the Development, Use and Operation of the Dallas Black Dance Theatre facility. This Master Agreement set forth the respective rights and obligations of the parties for the donation to the City and the design, development, construction, maintenance, management, use and operation of the facility. This Master Agreement provided for a transfer of the property from DBDT to the City in exchange for a forty (40) year lease of the facility from the City to DBDT and for DBDT to provide a minimum of 40% of the renovation costs of the facility. The transfer of the property and the participation in funding the renovation is in accordance with the City’s Cultural Policy.
BACKGROUND (Continued)

In the City's 2003 Bond election, voters approved a proposition which included $3,263,976 for the planning, design, construction and renovation of the facility as a multiuse dance rehearsal, instructional and administrative office facility for DBDT. DBDT undertook a capital campaign and contributed matching funds in the amount of $2,228,354 towards the planning, design, construction, and renovation and operation of the facility in accordance with the terms of the Master Agreement.

DBDT has identified an opportunity to utilize federal rehabilitation tax credits to raise funds as part of its capital campaign for the renovation and operation of the facility. In order to take advantage of the federal historic tax credit opportunity, the Master Agreement must be amended, as follows:

- To extend the term for an additional 36 months to end December 31, 2048 (current end date is December 31, 2045) to provide for a full 40-year term from the date of occupancy in order to qualify as a constructive owner of the facility for federal tax purposes only.
- To permit the DBDT to sublease the facility to a master tenant entity controlled by DBDT or a wholly-owned subsidiary of DBDT. The master tenant entity will sublease the facility back to DBDT. It is anticipated that the sublease to the master tenant will not exceed 20 years with an option to terminate at the end of 5 years. The subleases are subject to the terms of the Master Agreement requirement that DBDT operates and uses the facility as a multiuse dance center.
- The DBDT needs to close on its federal historic tax credit arrangements before a certificate of occupancy is issued for the facility. The amendment provides that if the DBDT does not close on transactions necessary to secure the federal historic tax credits by February 15, 2008, the amendment to the Master Agreement shall terminate and the terms of original Master Agreement shall control.

Authorized the construction contract on February 28, 2007, by Resolution No. 07-0742.
